Open Position for a Professor or an Associate Professor in Mathematics

Saga University

Graduate School of Science and Engineering

The Department of Mathematics invites applicants for a Professor or an Associate Professor in Mathematics. The tenured position is assigned for the field of algebra. Applicants must have Ph.D, excellence in research and education, native fluency in Japanese, highly experienced internationally. The expected start day is April 1, 2015. Saga University is an Equal Opportunity/Affirmative Action Employer and welcomes applications from women and minorities. An annual salary system, based on the "Saga University Regulations about Annual Salary System for Teaching Staff", will be applied to the successful candidate. However, full-time teaching staff members, except for those at the attached schools, working at Saga University at that time when they apply, can continue to choose the status under the "Saga University Regulations about Monthly Salary for Staff".

To apply, please send a letter of application, 1) curriculum vitae, 2) list of publications, 3) copies of published papers, 4) statement of research, 5) statement of education, 6) research grants, 7) names of at least 2 references to:
   Professor Yasuhiro Nakagawa
   Department of Mathematics
   Saga University
   Honjo-machi 1, Saga 840-8502, Japan

For full consideration, complete materials written preferably in Japanese must be arrived by March 2, 2015.　E-mail applications cannot be accepted.

Yasuhiro Nakagawa
